2 Outstanding circulation exempt from taxation (1) whenever such circulation of any bank, association. corporation, company or person is reduced to not over 5 percent of the chartered or declared capital existing at the time the same was issued; (2) whenever any bank which has ceased to issue notes for circulation deposits in the Treasury of the United States, in lawful money, the amount of its outstanding circulation, to be redeemed at par and (3) whenever any bank is insolvent or bankrupt.

Firearms are defined to include shotguns and rifles with barrels of less than 18 inches in length, other guns capable of being concealed (except pistols and revolvers), machine guns, and mufflers and silencers. The law provides that: In the case of manufacturers and dealers in guns with 2 attached barrels from which only a single discharge can be made from either barrel without manual reloading, the tax shall be \$25 per year for manufacturers and \$1 per year for dealers; and the transfer tax on such guns, the barrels of which are 12 inches or more in length, shall be at the rate of \$1.

<sup>4</sup> Applies only on imports if imports from a country during the preceding calendar year exceeded exports

Tax made permanent by eliminating expiration date of July 1, 1945 (Revenue Act, 1941).
The rate was reduced to \$1.50 per M feet under the trade agreement with Canada effective Jan. 1, 1936.
This rate applies also to imports of lumber from other countries having trade agreements with the United States. Lumber imported from Cuba is taxed at the rate of \$1.20 per M feet in accordance with treaty provisions granting products from Cuba a rate 20 percent below that granted products from any other country having a trade agreement with the United States.

7 Tax does not apply to any article, merchandise, or combination if any coconut oil or derivative thereof produced in Guam or American Samoa is contained therein.

8 No whale oil (except sperm oil), fish oil, or marine animal oil of any kind may enter tax-free unless such oil was produced on vessels of the United States or in the United States or its possessions, from whale, fish, or marine animals or parts thereof taken and captured by vessels of the United States.

9 Tax collected on processing of coconut oil from the Philippines paid into the Philippine treasury. 1941 act provided that taxes collected with respect to coconut oil wholly of the production of Guam or American Samoa or produced from materials wholly of the growth or production of Guam or American Samoa, held as separate funds and paid to the treasury of Guam or American Samoa.

10 Additional tax of 2 cents per pound if coconut oil is not from the Philippines or other possessions of the United States.

United States. 11 Exemption of palm oil used in the manufacture of iron or steel products was provided for by 1942 act. 12 All oleomargarine taxes except imported repealed by Public Law 459, 81st Cong., 2d sess. Effective July 1, 1950.

 $^{\rm I}$  Estimates contained in the Budget of the U  $_{\bullet}$  S. Government for the fiscal year 1954.

Nore,—On basis of collections. Figures are rounded and do not necessarily add to totals.

<sup>2</sup> This figure represents collection of tax on pistols and revolvers only, as tax collected on freemrus, shells, and cartridges are excluded from excise taxes and included with miscellancous receipts.
